

Harry and Jeanette Weinberg Foundation Seeks Proposals for Caregiver Grants

Deadline: June 12, 2008

The Harry and Jeanette Weinberg Foundation has announced an innovative new program to provide \$9 million in grants to assist caregivers across the United States.

The Family and Informal Caregiver Funding Program was developed by the Weinberg Foundation to provide the critical resources necessary to support caregivers in innovative ways and facilitate partnerships among agencies and organizations. The primary goal of the program is to increase support for family and informal caregivers who assist older adults living in the community.

The application deadline is June 12, 2008. Eligible grant recipients include nonprofit 501(c) 3 organizations; faith and other community-based organizations; tribal organizations; and units of local government nationwide.

The grant program will support twelve to twenty community-based projects with grants ranging from \$100,000 to \$300,000 each (for a total of \$300,000 to \$900,000 for each grant recipient from March 2009 through February 2012).

Complete application details and additional information are available at the foundation's Web site or by contacting the foundation's offices.
